COWES
CLASSICS
WEEK 2023

Organised by
The Royal London Yacht Club

Affectionately dubbed "Goodwood on the Water" the regatta is run by sailors for sailors. The addition of Cowes Classics Day since 2021 has added to the festive atmosphere.

Cowes Classics Week is all about Corinthian racing of traditional yachts on several varied central Solent courses by day and fabulous social events ashore in the evening hosted at different yacht club venues.

A much appreciated feature of Cowes Classics Week is the generous tea and cakes every afternoon and prizegiving afternoon tea at the Royal London Yacht Club
